Dog Rescue Application Form

Thank you for your interest in fostering/adopting a dog from Our Angels Dog Rescue!

We are a foster-based organization. Without your help, we could not save as many dogs.

Our Angels Dog Rescue was created to save the lives of dogs that are out of time in high kill shelters, dogs that have done nothing wrong yet end up in a pound and are scheduled to die. Our purpose is to save their lives and find each one of them a family that will love and care for them for the rest of their life.

By submitting this form, you have read and understand the above information and agree that you will not hold Our Angels Dog Rescue, its coordinators or any representatives associated with Our Angels Dog Rescue responsible for any destructive or aggressive behavior exhibited by the rescue dog or for any other problems that may arise pursuant to his/her care.
